

## **Terapia Graduates' Continuing Professional Development Forum**

### ***Terms of Reference***

The Terapia Graduates' CPD Forum will:

1. Provide a supportive environment for Terapia graduates to build their professional network;
2. Facilitate the presentation and sharing of examples of professional practice, developing knowledge and skills for the purpose of contributing to members' continuing professional development and the advancement of evidence-based practice in psychotherapy for children and young people;
3. Recommend other forms of CPD to members in furtherance of the above;
4. Support members to develop/deliver CPD sessions within and beyond the Terapia CPD Forum;
5. Encourage and support members to prepare papers for inclusion at conferences / in journals and other means of dissemination for the purpose of professional advancement, political influence and public understanding of our work;
6. Encourage members to become active members of UKCP

### ***Membership***

- Graduate members of Terapia

### ***Frequency of Meetings***
